matter in form.
When I love you,
I empower you to
bring yourself into a
state of wholeness.”***

**Let us fill our space,
Let us fill our lives,
with Love.
In that way, we are blessed.
And Bless the Earth, as well.**

The Sacred Space Crystal™ is patterned after the Radiant Heart Crystal™ which is a unique evolutionary tool to assist us in expanding our ability to hold and create Unconditional Love, so that we may crystallize the wisdom of the One Heart that unites all life in Love. It resonates with the vibration of Unconditional Love, which is the most effective energy for clearing negativity peacefully, without effort.

The faceted Clear Quartz dome is cut to achieve it's full capacity in clearing and creating sacred space. We place it on a 4 inch mirrored rotating table light box, with seven LEDs. The light box has an optional battery operation feature using 4 AA batteries.

As light gently pulses through a quartz crystal programmed with Unconditional Love, it clears negativity from your space and refreshes the space with nourishing life force energy, a rainbow of prana and Unconditional Love.

**“Our Primary
responsibility
is to Love.”
- Marcel Vogel 1973**

A Powerful Healing Tool: The Sacred Space Crystal™ has been proven to be effective in assisting sensitive individuals where discordant energies are causing pain, discomfort or dysfunction. The therapeutic effects are a great asset to any healing environment.

Our Sacred Space Crystal™ is sufficient to clear and charge a space of up to 200 square feet. For clearing larger spaces, multiple crystals can be used. Program each crystal with Peace, Well-Being and Love, and then place (i.e. one in each corner of a large room or one in each room of your house).

THE VOGEL TECHNIQUE

As Vogel worked with quartz both in conventional experiments and in healing applications he developed a simple method of clearing and programming his quartz tools. The technique developed can be used with any crystal - or with any object for that matter. It is just that quartz crystals are particularly good at holding a charge. The Vogel Technique incorporates two key concepts. The first is that quartz has the innate ability to function as a psychotronic device. It can hold information in the form of a thought, emotion or a frequency almost indefinitely without loss of cohesion. The second key concept is that the breath can be used as a vehicle to place the thought, emotion or essence into quartz. The act of doing this is referred to as "programming your crystal"

CLEARING YOUR CRYSTAL: Take a moment and bring into your being the essence of purity - both the thought and the feeling of purity. Once the connection with this essence is strong, fill your lungs with it. Hold your breath and let the essence build. Place your attention upon the crystal. Use your intention to place the essence of purity into the crystal as you release a FORCED EXHALE through the nose. This forced exhale allows the essence to move as a whole thought form into the crystal. If you see a residue, shadow or unpleasant energy still remaining, repeat the procedure until your crystal is clear.

PROGRAMMING YOUR CRYSTAL: After clearing your crystal it is now ready to program. We recommend using a simple program such as PEACE, WELL-BEING & LOVE. Focus on bringing the essence of peace into your being. Allow this essence to fill you and build in your lungs. Now bring in the essence of Well-Being (yourself in perfect health, connected with the Earth and the Divine). Again, fill yourself and allow this essence to build in your lungs - mingling with the essence of Peace. Now bring in the essence of Pure Love. Fill yourself with this essence. Place your attention on the crystal and use a FORCED EXHALE through the nose to intend those essences (your program) into your crystal.
